

# ParaQuad NSW Golf Day

Celebrate International Day for People with a Disability at the inaugural ParaQuad NSW Golf Day and support life choices for people with a spinal cord injury.

## THE EVENT

### *a great location*

Welcome to one of Sydney's more preferred golf locations for golfer and business elite of Sydney – Oatlands Golf Club. The course itself is a true test of golf, and was recently described on International Television by leading golf professional and commentator Brett Ogle as *"The best Par 70 Golf Course in Australia"*. The layout, condition and aesthetics of the golf course are testament to Oatlands' Group One ranking status.

### *a great event*

The ParaQuad NSW Golf Day is run as part of The Charity Challenge, and is a registered event of International Day for People with a Disability.

The Charity Challenge has been designed so you can enjoy a day's golf whilst making a difference and helping us support people with a spinal cord injury to achieve their life choices.

You will feel the tension and excitement of a real teams event tournament with the AGU qualified winners and second place getters on the day earning a spot in the Charity Challenge Final in November 2011.
